Hi Helen,

I spoke with Harium yesterday and he recommended not rushing through the process of updating and revising the bylaws. They are a mess and there is a lot of work to be done. He is happy to work with the committee on this.

The timeline he recommended to me is as follows:

1. Reconvene the bylaws committee within the first two weeks of school.
2. Try to meet bi-weekly with a minimum of four face to face meetings.
3. Try to have a draft out to the community by the start of November, providing the community a month to give feedback.
4. Incorporate feedback and present for a vote at the December Site Council meeting.

Assuming we keep to the timeline there could be an election in January.

Harium, if I have forgotten anything please feel free to chime in.

Best,
Christina
