Cc: Christina Ellis <penellis@gmail.com>

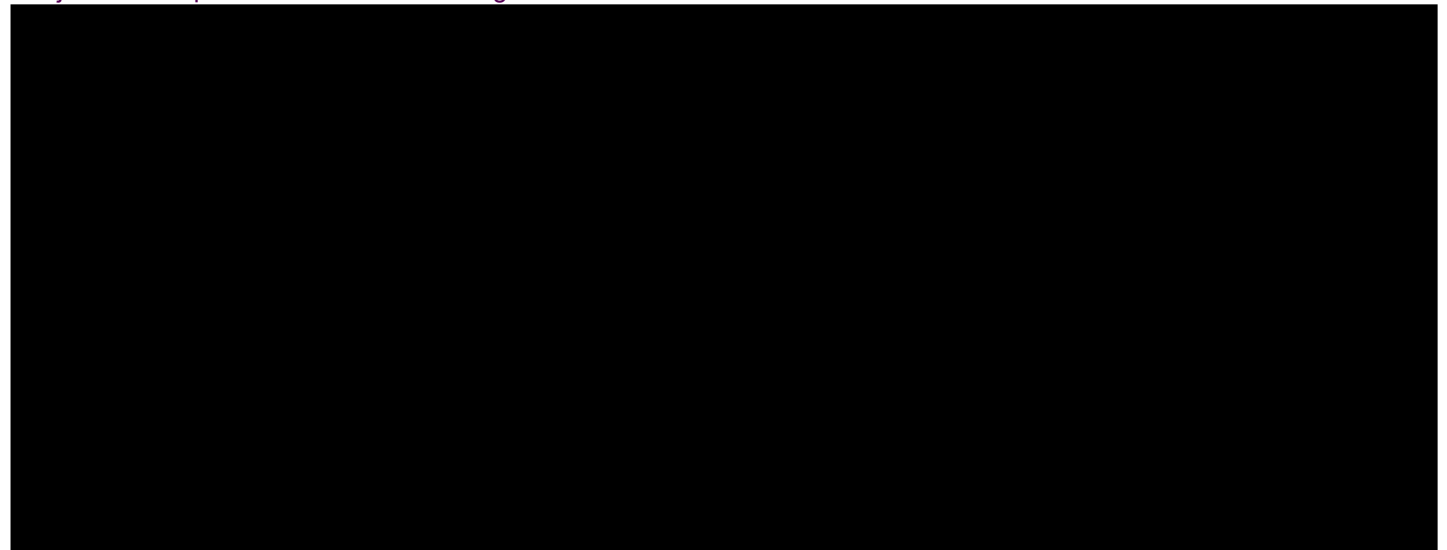

FYI... this went out to all room parents today. They really are just full-on vigilante at this point. Christina and I have been completely undermined and disregarded throughout this entire process. The way they are framing it to the community- that the election itself is not in question, it's just a matter of hammering out the details of how it will happen- is totally problematic.

Subject: Fwd: Special Site Council Meeting

Hello Thornton Creek Families & Staff!

Join us for a special Site Council Meeting Tuesday, 5/29 @ 7:00 pm in the Thornton Creek Commons.

We will be holding elections for next year's Site Council, as we have at least one position with more than one interested parent. Because it has been awhile since elections were held, we will use this meeting to gather input and gain consensus from the community on the proposed election process and timeline, to ensure a fair approach for everyone. Further details can be found in our [Parent Group Bylaws](#) & [Standing Rules](#). Your presence and input is greatly appreciated!

Childcare is available - email cassie.condon@hotmail.com with names and ages of your children by Sunday, 5/27.

Please note: If we reach 9pm and further discussion is required, we will hold a 2nd meeting on Thursday, 5/31 @ 7pm in the Thornton Creek Commons. We will make childcare available at this time as well if required.

In case you haven't seen the newsletter, here is what you need to know to step up for a position - we would LOVE to have you!

You should have received a handout in kid mail ([also available online](#)) outlining the committee positions and current occupants. We are gathering more details (time commitment, things to know, etc) about each position [here](#), but you can also ask the current position holder for info. All positions are open for election; we know of at least one office with multiple volunteers, so an election is planned prior to the June Site Council meeting.

If you would like to hold a position for the 2018-19 school year:

- **Indicate interest [here](#)** - Enter your name next to the office(s) you're interested in, even if there is already another interested person. This is intended as a tool for parents, to facilitate collaboration with other parents. For example, if you are interested in being Committee chair of either the Hospitality or Fundraising Committees, put your name in both. Then you can check back to see if one of them is uncontested, which might be useful in making your final decision.
- **By June 1, email communications@thorntoncreek.org to officially add your name to the ballot.**
