Hi John,

I had an opportunity to attend a meeting this morning with Christina, Jon, Evan, and Kristin. We talked about some past events but I am very excited for the future and our collective commitment to heal and rebuild relationships which will be best for kids in the long run. My recommendation seems to align with Jon in that there needs to be a pause on all the talk around holding elections for new site council leadership. I will explain more when we meet.

Here are some next steps:

1. Helen, Jon, and John will be as soon as possible for one hour either at JSCEE or Thornton Creek (Alex, please accommodate Jon Gasbar when choosing the location) in order to be aligned in messaging next steps. One email or letter will be drafted during this meeting so that all stakeholders get clarity around next steps. Kristin agreed to check-in with a parent in order to help put a pause on all the talk around having elections.
2. John and Helen will meet for one hour to discuss current parent concerns regarding a message presented by staff at Tuesday's parent council meeting at Thornton Creek. Helen would like a draft of the letter read at the Tuesday meeting to do a side by side with TC code of conduct. Helen would also like follow-up on Mr. Fung and complaints received by parents.
3. While all of this will take place, John will write a letter or email as soon as possible (no later than next Tuesday) to all stakeholders that there will be a pause on planning for next steps until further notice. Further notice meaning, time to collaborate with Jon Gasbar.

Please let me know if you have any questions.

Jon,

If I left anything out, please add. Alex will schedule the meetings. Thank you.

Helen
