Hi Concie,

Unfortunately our Site Council meetings go from 6:30-8:30 pm, so it sounds like that won't work for the 8th. Our parent-run **EDI committee** meets on Tuesday May 1st, and that might actually be a better opportunity to collaborate. I've cc'd Jay

Gilvydis and Tanya Wilson, who currently chair our EDI committee, so they can provide time and location for the meeting. Hopefully you can make it! If not, we can find another time to connect.

Looking forward to working with you!

thanks,

Evan

Hi Fellow TC Parents –

My daughter and son both attended Thornton Creek; they are now 7th and 11th graders in the NE region. I am excited to support your work. This year has been a focus year for us in thinking about the role of parents on racial equity teams.

I do have time on the calendar on May 8th, I just need to know the time and place for the meeting. I have to be at Southshore K8 at 6pm for interview support but any time before that works for me.

Thank you for the intro, Helen!

And so nice to meet you, Concie... We hear you are a fellow TC parent!

Christina and I would love to speak with you about how we might be able to work together, and will reach out to plan a meeting just as soon as this chaotic time around our principal transition calms down a bit. In the meantime, our next Site Council meeting is scheduled for May 8th, and we'd love to have you if you're free and would like to join.

Many thanks, and we look forward to connecting soon!

Very best,

Evan

Hi Evan and Christina,

I would like to introduce to you Dr. Concie Pedroza, Director of Leadership Dev. for Equity & Impact in the Department of Racial Equity Advancement at central office. I shared how the parent council created a diversity team (SDI) and she was very pleased to hear about your race and equity work as parents at Thornton Creek. We value parent partnerships and the parent council's commitment to engaging in race and equity work aligns with our Superintendent's strategic goals around eliminating the opportunity gap. Please feel free to connect as she would love to go out to Thornton Creek or attend any sit council meetings to partner with you. Thanks.

Helen
