Hi Jon!

Yes, we found out about the meeting at TC Monday, so no worries. Christina and I will be there so will see you then. Rather than rescheduling our meeting, let's just plan on chatting for a couple of minutes after the EDI committee meeting on the 1st, if that works for you. And, we were hoping you might be able to attend our May Site Council meeting on Tuesday May 8th (6:30-8:30). I know parents are anxious to meet you and the ones who can't make it Monday morning will want to know when they will have another chance. Helen, would you be able to attend that Site Council meeting too?

Thanks to you both and have a great weekend!

Evan

Hi Christina and Evan,

How are you? I have been in contact with Helen and John about coming out to Thornton Creek to meet the staff and learn more about the school. John put together an agenda for Monday, April 30th starting at 8:15 am and ending around 12pm. There are also AP interviews that I am hoping to sit in on from 3:00-7:30ish. Could we reschedule on Monday? I would be available any time before 8am, from 1pm-3pm or after the last interview.

If not, I could meet early Tuesday evening or Wednesday and Thursday evenings. I look forward to meeting you soon and thank you for your flexibility.
